We have a great night lined up with a very special live band and DJ playing throughout the evening.

We have.....The Peter Honegan Soul Band, Luton's Finest. A highly talented collective of Musicians and Singers who've performed all over the UK, supporting a number of high-profile artists such as Luther Vandross, Omar, James Morrison, Kelly Le Roc and The Spice Girls to name a few.. They've supported a number of large charity events and performed at many weddings, parties and at music venues, such as the Bear Jazz Club in Luton..

With their array of different styles of music through to decades and right up to today, ranging from Soul, Motown, Reggae and Pop, including some real classics, they're guaranteed to keep the dancefloor full...

Doors open: at 7.30pm
DJ: 7.30pm - 8.30pm
Band sets (approx. timings):
8.30pm to 9.15pm &
9.45pm - 10.30pm
DJ: 10.30pm - 1am

NOVEMBER WEDDING

We hosted a wedding with a difference last month.... some well-known faces took to the stage in our beautifully decked out Riverside Suite.

DJ Luck & MC Neat and Blazing Squad each did a set that got the wedding guests on the dancefloor. A live saxophonist welcomed everyone in as they collected their glass of bubbles from a prosecco wall in the foyer. How lovely does our Riverside Suite look!

RE-HYDRATE & RE-FUEL

We are now selling sports drinks, water, snacks etc. from the balcony café bar and at main reception. So if you are playing sport or exercising, grab some much needed hydration or fuel from us!

The balcony café bar is your main place to visit as they have a wider selection but reception also has stock available at all times, especially when the balcony café bar isn't open.

Our prices are much more competitive than the vending machines we had previously and we welcome any suggestions that you feel will be popular with our customers.

LIVE SPORTS at the balcony cafe bar

Join us in the balcony cafe bar and watch all the big Premier and Champions league games.

December has plenty of action on show as the season certainly hots up even if it is cold outside! See website for full list of games showing.

CHRISTMAS PRESENT IDEAS!

If you're struggling to come up with ideas for Christmas presents why not go online at www.venue360.co.uk and look at buying Christmas membership e-vouchers.

We have various monetary amounts you can gift someone so give them a head start in making

that new years resolution to get fit in 2022!

CLASSES - BREAK Over Christmas Dates

Exercise classes will finish on Saturday the 18th December and start again on the Tuesday 4th of January.

20 YEARS FOR MICHAEL at Lifelines

In December 2001 Michael joined us, initially as an instructor but quickly progressed to assistant manager of Lifelines.

Over the past 6 years or so, Michael has been manager of Lifelines and has been a huge asset to the business throughout his time here.

Michael has seen various instructors and members come and go over this period but has always been instrumental in ensuring a very high standard of service. Michael is without doubt one of our most hard-working and conscientious members of staff, always coming in early or staying on late. Michael isn't perfect though... Any of you that have got to know Michael well, will know of his two strange passions, Fishing and Liverpool FC, both equally as boring I know, but both give him enormous pleasure! Other than that, Michael is a dedicated family man and has spent the last year or so renovating their new home.

Congratulations on reaching the 20 year milestone, Venue 360 is very fortunate to have you.

November challenge WINNER

Our November challenge winner was Jason Read who managed an impressive 37 'Fireworks' in 30 seconds. Jason has been a member for over 10 years and regularly sets the standard in our circuit classes. He now receives a Venue 360 t-shirt for his efforts!

Spread the word and help your gym stand out!

Our customers mean the world to us and we appreciate that you are part of our community!

We would love you to tell everyone else how much you like it here.

OFFER Bring in a friend for December

We are offering members the chance to bring their friends or family in to use the gym throughout December for just £15/£20!

This gives them full unlimited access to the gym and classes, off-peak or peak all month. See a member of staff for more details.

Member of the month TONY NAYYAR

King of the classes! Tony has been a member with us since before this building was even built (previously where the Beefeater is now). That's more than 26 years ago!

He was also a Vauxhall employee for 31 years, so is a familiar face amongst staff and members. Tony first started the gym to shift a bit of extra weight and now at 81 years old he is still as active as ever. Tony loves his classes, going to pilates twice a

week, mobility & stretch and senior circuits. When he first started going to pilates he was the only male there – but is now joined with quite a few others. After a class, Tony loves nothing more than popping into the café bar to have his free hot drink and a chat with other members.

Well done Tony and thank you for being with us for so long - keep up the good work!

CHRISTMAS CHALLENGE

Why not try the Christmas challenge this month with 12 challenges to complete to get onto the finisher board! See a member of the team who will reveal the secret challenges one by one and numbered one to Twelve. We will be offering a Venue 360 t-shirt in the lucky dip to all members who complete the challenge by Christmas Eve!

KANE Joins Lifelines Team

You may recognise Kane and have seen him working in the balcony cafe bar. He has now also started working in the gym after recently qualifying as a level 3 Personal Trainer. Please give him a warm welcome when you see him.

Venue 360 welcomes a new grounds person!

WELCOME IAN!

In previous years we have contracted out the grounds maintenance work. However, our strategy has now changed and we are delighted to welcome Ian to our team. In just a few short weeks Ian has been working hard to tackle our shrubs which went rogue over the lockdowns. After managing the usual leaf clearances, Ian will be focusing his attention on tidying our rear ornamental gardens in preparation for next spring.

We are very fortunate to have such a diligent person looking after our site and I'm sure you will notice many more improvements in due course.

NEW PRO-ZONE SURFACE

Pro-Zone 1 was recently resurfaced with the very latest in 3G surfaces and it was carried out in record time! The pitch was taken up on Monday morning and was back ready for action by Thursday evening.

Our regulars seem

very happy with the new surface and we are delighted to continue in re-investing in our facilities to keep our players happy and coming back for more.

KATI'S LAST NEWSLETTER!

Our graphics and digital design expert, is sadly leaving after almost 7 years with us.

Kati joined us initially to look after our membership and design work but in more recent years, she has been solely responsible for looking after all things print and digital design. She has done an excellent job in pushing the Venue 360 brand and ensuring that we have a regular presence on social media. She also co-ordinated and produced our monthly newsletter and this is sadly her last piece of work for us.

Kati has been great to have around Venue 360 and will be sorely missed. Not only was she excellent at her job and brought a 'spark' to the office, she also became regularly involved in attending spin and boxing classes with members, as well as joining Lifelines members and staff in tackling the 10 mile tough mudder course for charity. Kati has now found herself an exciting new full-time role and we wish her all the best with her new venture.

Another Successful FOOTBALL TOURNAMENT Hosted at Venue 360!

After a tough 18 months, what better way is there to bring communities together than playing football! This was the plan for Agi Agenor who has recently organised two tournaments at Venue 360.

Well done to all of those who took part and we look forward to welcoming Agi and the teams back for a third tournament next year. If you are looking to host a tournament please contact Marc Carter to find out more. Tel: 01582 748232 Email: m.carter@venue360.co.uk

"I like to give everyone the chance to play competitive football and get their hands on some silverware. We tend to make these tournaments to bring people together and enjoy the beautiful game. I've always played at Venue 360 and really enjoy the facilities they provide".
